

## **NEWSLETTER : HOLY WEEK 2021**

### **HOLY WEEK AT HOME**

The home is where we learn to pray. It is the first chapel and a domestic church. It is our oratory, where the family as a community gather in thanksgiving.

You as family, are the first church of prayer and worship. We pray that the larger community /church can gather in the coming months to worship in spirit and truth. God Bless you this Easter – 2021
