Easter Dues

We recognise and fully appreciate that there are many demands on your generosity and that it can be difficult to respond to every request. However, without your generous support, it would be impossible for a Dominican community to survive.

The collection goes towards:

- Support of the Dominican Community
- Running costs of the Parish of St Marys
- Up-keep of the Church and Halls.

Easter Dues Envelopes are distributed throughout the Parish and are available in the church.

The envelope with an offering can be brought to Mass or handed-in to the Parish office.

Finally, we wish you the blessings of Easter as we continue to pray for each other.
